The Plaintiff(s) claims that the Defendant(s) owes \$5000.00 plus the cost of suit for the following reasons:

The defendant acting on behalf of her client who I am in litigation with, knowingly and purposely instituted supplemental proceedings against for the sole purpose to embarrass me and cost me additional legal fees. She was informed by my attorney that RI residents are subject to Rhode Island collection law, including garnishment and discovery in supplementary proceedings.

Constitutional due process – both procedural and substantive – are violated by the attempted application of foreign laws which differ significantly as to process, see e.g. R.I. Gen. Laws §28-8-15 et seq. and exemptions, see e.g. R.I. Gen. Laws §28-15-9.

Her purposeful and unconstitutional actions have caused my irreparable financial and reputational harm. This has been a pattern and practice of hers in which has been documented.
